

can unleash their imagination and not sitting in the same room.

10 minutes to prepare 1 hour to collaborate 2-8 people recommended

TEAM ID:PNT2022TMID15915 Brainstorm & idea prioritization Team gathering

Define who should participate in the session and send an invite. Share relevant information or pre-work ahead. Use this template in your own brainstorming sessions so your team Think about the problem you'll be focusing on solving in the brainstorming session. start shaping concepts even if you're Learn how to use the facilitation tools Use the Facilitation Superpowers to run a happy and productive session.

Before you collaborate

to do to get going.

A little bit of preparation goes a long way

with this session. Here's what you need

→ 5 minutes

Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

PROBLEM How might we [your problem statement]?

To run an smooth and productive session Stav in topic. Encourage wild ideas.

Listen to others

Defer judgment.

Go for volume.

Load cell on If possible, be visual. bottom of

2

Brainstorm

→ 10 minutes

Write down any ideas that come to mind

SENTHIL KUMAR S

that address your problem statement.

The proposed system

would be able to

automate the solid waste

monitoring process and

management of the

overall collection

process using IOT

(Internet of Things).
